**Balloon toss record** – Even if we don't break the record, if we advertise that we are doing it, it will attract folks. We need to reach out to Little League Teams, Boy Scouts, Girl Scouts & other youth organizations so they can get teams together. We can have participants sign up as they enter park & ask them to bring their own balloon & agree to help with cleanup. Need to have it before food runs out and folks start to leave (Suggestion: 12:15) Jennifer is still waiting to hear back from them on how we need to document it. etc. They said we cannot use their name in any advertising.

**Parade** – will again begin @10 and enter the Park @10:30. Floats: contact Little League Director; get word out in schools (Frank will ask his wife the best way to do this); suggestion to ask more pre schools; Cape Business Alliance? Ted belongs to this group & will ask if they want to do a float. Recycling Drill Team was a huge hit & they change their act every year and just show up. Frank has ribbons left over from last year and found some unclaimed trophies we can reuse. Ellie will order the trophies & Frank will get her info to order permit. Costumed Characters: Slugger-Ellie; Mercy Bear-Frank; Crackers & LL Bean Boot-Frank; Otto the Moose Karen. Dan Stevens' truck confirmed.

**Facebook** – Ted will send Jill the link for FFD so she can get photos.

**Hot Air Balloon:** Ted will contact REMAX

**Music System:** Frank has emailed his contact. He also has the stage and Boy Scout tent lined up. He will contact Waynflete School to line up their Steel Drum Band again. Karen will line up the same folks as last year to sing National Anthem.
