

ENHANCING HOUSING DIVERSITY IN CAPE ELIZABETH

The Current Situation

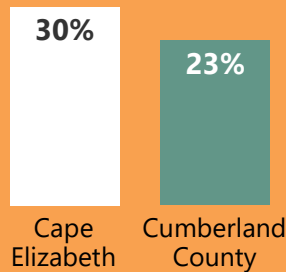

The Town of Cape Elizabeth commissioned a Housing Diversity Study to assess current housing conditions and offer goals and strategies for creating affordable housing in the community. Conducting such a study emerged as a recommendation in the Town's 2019 Comprehensive Plan. The full study can be found on the Town's website and incorporates three major tasks: a housing data package, housing creation goals, and strategy development.

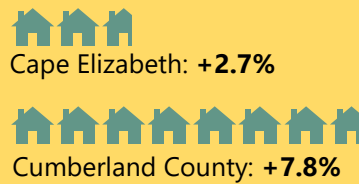

Population Growth, 2000-2020

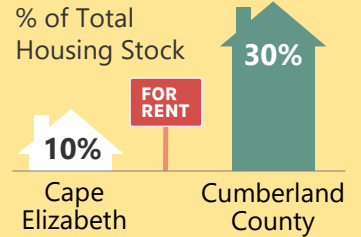

Share of Households With Children

Housing Units Added, 2010-2020

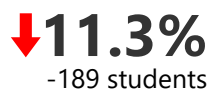

Rental Housing

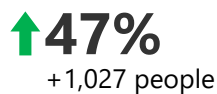

Youth Population Under Age 18 2000 to 2020

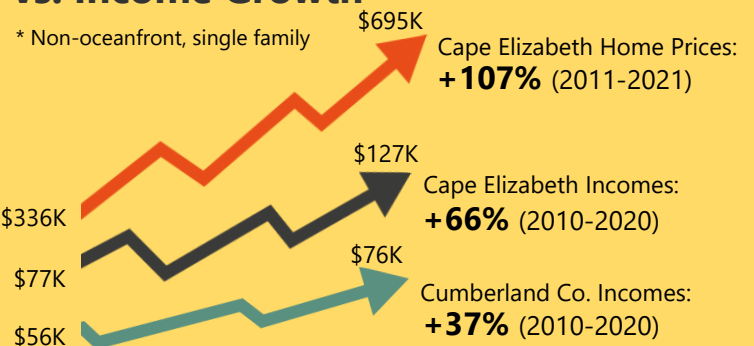

Public School Enrollment 2012-2013 to 2021-2022

Senior Population Age 60+ 2010 to 2021

Median Home Sale Prices* vs. Income Growth

Cost-Burdened Households in Cape Elizabeth

Households spending 30% or more of their total income on housing
