

- (6) Work with local property owners, land trusts, and others to protect major points of physical and visual access to coastal waters, especially along public ways and in public parks.

6. Population and Demographics

A. State Goal

None required.

B. Analyses

To generate minimum analyses to address state goals, use Conditions and Trends data in Section 3.6(C) to answer the following questions.

- (1) Is the rate of population change expected to continue as in the past, or to slow down or speed up? What are the implications of this change?
- (2) What will be the likely demand for housing and municipal and school services to accommodate the change in population and demographics, both as a result of overall change and as a result of change among different age groups?
- (3) Does your community have a significant seasonal population, is the nature of that population changing? What is the community's dependence on seasonal visitors?
- (4) If your community is a service center or has a major employer, are additional efforts required to serve a daytime population that is larger than its resident population?

C. Conditions and Trends

Minimum data required to address Analyses:

- (1) The community's Comprehensive Planning Population and Demographic Data Set (including relevant local, regional, and statewide data) prepared and provided to the community by the Office or its designee.
