

Draft survey question submitted for committee consideration

What, if any, elements would you like included in new development?

- Permanently preserved open space
- Affordable housing
- Job creation
- Diversification of the tax base
- increased range of housing types
- road connectivity
- public sewer expansion
- Extension of sidewalks
- Sustain the public school student enrollment
- Public transportation
- Alternative energy promotion
-
- Other
- None: don't want development, don't want more regulation of development, no answer
