Some of their phrases:

"For a gift of 600 or more, you can make a pledge. This spreads your payment over a 3 year period with 1/3 of the total due now, 1/3 in one year and 1/3 in 2 years."

"We accept pledges over three years. A gift over 1500 ensures your place on the plaque."

"All contributions are Welcome!"

"When making a gift or 1000 or more it is possible to apply the amount to one off the larger ticket items."

Other Libraries that I called either do not have unique programs or are

developing theirs at this point.

Curtis Memorial Library did not have information available. The director said she would send it if she found some.

Skidompha in Damariscotta has a brick campaign. No details on price.

Falmouth is not developed at this point.

Lithgow in Augusta is doing research as we are.

Gray Public does not have a capital campaign. They have soft costs in their bond request.

Charles Bailey has a mural with books drawn on with contributors names.

Others have trees dedicated to their contributors.
