

Draft Library Outreach Plan for October

- 9/30 Talking with Jill Stevenson about library project outreach after story hour. This has already started, and we're talking about how to ramp it up. She may need some materials for signs made by kids, as she is taking charge of that project and Linda Burke said she would help.
- in Talking to Gil about Scarecrow and materials he needs to put something front of library. He may need \$\$ for fee to pay for entrance into scarecrow contest. Said scarecrow can hold a sign that says some positive message.
- 6:30 Pond Cove Open House. I am staffing this, looking for a volunteer to help. Two people better than one.
- 0/1 11:30 - 1PM Library Staff Lunch hosted by trustees, as thanks for putting up with all the LBC stuff and being shorthanded for more the last few months. They are fried. Julia Bassett is hosting for Trustees, I am getting the food and setting up but then leave for Habitat
