

**Thomas Memorial Library Building Committee
Minutes June 2, 2015**

In attendance: Frank Governali, Molly MacAuslan, Martha Palmer, Jay Scherma, Nadine Cole

Call to order: 1:35 PM

- 1) The Committee met at the Thomas Moser Shop at 72 Wright's Landing Road in Auburn Maine. Michael Brown made some introductory comments and took the Committee on a tour of the facility.
- 2) There was a discussion of reducing the height of the privacy glass panels to 16" to allow better diffusion of light from the built in fixture. Members present unanimously agreed to this change and asked to be informed of any cost savings that might result.
- 3) Upon seeing all of the woods used in the Workshop, the members on the tour expressed their preference for the Cherry. After hearing from Michael Brown that Cherry rather than the Maple was their lowest price point, they decided to change the order if the price was better.
- 4) Meeting adjourned at 3:15 PM.
