Kate Williams-Hewitt
Thomas Memorial Library Building Committee

Dear Kate and the Thomas Memorial Library Building Committee:

I am pleased to present three climbable art concepts as a way of starting our conversation about sculpture for your children's garden. I would welcome an opportunity to meet with you to discuss options, alternatives, and details. I would provide a sketch of the foundation required for your contractor to install and then I would install the sculpture. Please see the attached reference photos of earlier works.
