**Our Library will:**

**A** - provide excellent customer service through commitment to staff training and an emphasis on internal communication. It will be a focal point for community dialog and the sharing of ideas.

**B** - be a welcoming community center for human interaction, intellectual stimulation and cultural enrichment for all ages. It will be a place where the experience of the past can meet the needs of the present and future, providing access to materials onsite and in other locations.

**C** - provide people of all ages with a facility and services consistent with available community resources. This will include a stimulating and welcoming atmosphere, access to knowledge through diverse formats, assistance with access to information, support for formal and independent education, and opportunities for life long learning and

**D** - serve as a community -gathering place, a cultural destination and a gateway to ideas for residents of all ages and interests through books, media, technology , and innovative programs. It will provide free and convenient access to information within and beyond our walls.

**E** - inspire life long learning, advance knowledge, and strengthen our community through our staff , our collections, and our physical and virtual spaces.
