

## Open Space Management Committee Meeting Minutes

February 8, 2011

Present: Dena DeSena, Zach Matzkin, Dick Bauman, John Planinsek, John Marchewka, Marti Blair, Jessica Sullivan, Town Planner Maureen O'Meara

1. Meeting called to order at 7:50 p.m.
2. Minutes of January 11, 2011 revised and approved. Minutes of January 25, 2011 approved.
3. Correspondence. None.
4. Citizen comment. None.
5. Section IV. Role of Responsible Parties. Page 2, Line 50: Replace "If, however" with "With one exception" This is a second draft and we will not see it again until the end. If any more errors are found in the interim, just let Maureen know and she will revise.
6. Open Space Use Chart. A Y means yes the activity is an allowed use, N means it is not allowed. This draft uses bold font to distinguish deed entitlements. Maureen will try to use color instead. Bird watching is specifically mentioned in some deeds. Hunting and fishing should be separated from Trapping, because they are treated separately in the text. The chart implies open use. An asterisk should be added when there are restrictions to a use, with a citation to the text to find specific restrictions on that use. The chart will be divided into activities and facilities. A column will be added for trails. Take Bird Watching off the list.
7. February 22 meeting: Second look at Management Policies for specific parcels. First look at Use chart all filled out.
8. Meeting adjourned at 8:20 p.m.
