Town Planner Maureen O'Meara

1. Meeting called to order at 9:00 a.m.
2. Citizen Comment. None.
3. The committee has intended to meet to make final adjustments to the draft Open Space Management Plan per the instructions from the June 14th meeting. Dena and Jessica reported on a meeting they had at 8:00 a.m. with Town Manager Michael McGovern regarding his memo listing concerns with the final draft. To address his concerns, many of the proposed open space names will need to be changed. The members present agreed that this decision should be made at a regularly scheduled meeting when all members of the committee can be present. The committee agreed to request an extension from the Town Council for submission of the draft plan. Another Open Space Management Committee meeting will be held on July 12, 2011.

Respectfully submitted,

Maureen O'Meara
Town Planner
