TO: Town Center Plan Committee members

At yesterday's meeting, the following future meetings were scheduled.

January 6, 2014
February 10th
March 10th
March 31st
April 14th

All meetings are on Mondays, and will begin at 4:00 p.m. in the Jordan Conference Rm, Town Hall.

In preparation for the next meeting on January 6th, the committee decided that each member will prepare a list of the top 5 "takeaways" from the survey results. Your top 5 list should be forwarded to me by **Thursday, January 2nd**. I will compile the lists for the committee to review at the January 6th meeting.

Happy Holidays.

Maureen

- Remove the word Downtown and change it to town center.
- People like the close proximity of services in the TC. Mostly want to fill vacant lots, and would like to see another restaurant.
- Traffic and speed are a major issue, and no place to linger and meet in the TC.
- Need to add sidewalk along Fowler Road.
- More landscaping and some kind of green space.

Maureen,

Here is my list. It isn't in order of significance as I felt like they all had somewhat equal weight. Hope you had a nice Christmas!

Steph
