Subject: Meeting on Tuesday

**Message Body:**

I'm very surprised Tuesday's meeting is being held at the library. It should be available on CETV. This would enable those of us who can't attend to watch it. At the very least, it would be recorded so citizens could view it at a later date. This is an extremely important workshop. Perhaps the Planning Board meeting could be relocated or rescheduled. This workshop needs to be recorded and the town citizens should be able to watch it. Can you at least make it available via Zoom??
