To: "SBAC (CE School Building Advisory Cmte)" &lt;cesbac@capeelizabethschools.org&gt;

Good Afternoon,

On Tuesday May 21, 2024, the School Board held a workshop to learn more about Options B & E and to set a course for next steps.

Thank you to Michael and Corinne for their presentations regarding each of these options. Following the presentations, Lisa Sawin from Harriman responded to questions from the Board. After discussion, the School Board directed Dr Record to work with Harriman to develop a solution that includes a new middle school, improvements to the elementary school and high school, and will result in around or near a 10% tax increase. This work will take place with Dr Record and his leadership team over the next several weeks.

At this point the project is in the hands of the School Board and Dr. Record and his team. The schedule previously laid out including SBAC and subcommittee meetings, the public forum and other meetings are on hold until Harriman and the School Board have completed their work.

During the development of the new solution the School Board will be the only point of contact for the project. Questions regarding the school building project will be directed to them. The CESBAC distribution list will generate a message directing people to the CESB email.

Dr. Record will let us know the updated project schedule once he has connected with Chuck and Harriman. And we will keep you updated – until then consider this a short pause in our work.

The School Board asked that we thank everybody for their commitment to developing solutions for Cape Elizabeth's Schools. And Cindy and I thank you all for the amazing work over the past 14 months.

Cindy Voltz, CE School Board ,SBAC Co-Chair

Penny Jordan, CE Town Council, SBAC Co-Chair
