Subject: Community Services Board

Hello Meredith,

My name is Joe Whalen and I am interested in becoming a member of the community services advisory board.

I have been a resident of Cape for 12 years and have 2 daughters in the school system; and I have been an active volunteer with community services through the years.

My professional career includes 25 years with Morgan Stanley in investment management, and for the past 6 years I have run a training and consulting firm focused on leadership development and executive team consulting.

Best,

Joe Whalen
